Community Partner Spotlight

For Love of Children, Inc. (FLOC) is a 100% volunteer agency, with the mission to serve over 8,000 children in the greater Dayton area who are neglected, abused, in foster care, or who are in need of community resources.

Over the years, FLOC has generously donated school supplies, blessing bags (snacks and pantry items), and comfort bags (toys and toiletries) to Artemis Center in an effort to support parents and their children who come through our doors. They also participated in our Building Hope Holiday Program, providing toys, coats, and other items to participating families.

Thank you to the FLOC team for your support! We're excited to continue our partnership.

Volunteer Spotlight

Dr. Sarah Stringer

Dr. Sarah Stringer joined Artemis Domestic Violence Center for a second volunteer opportunity in April 2023; her first being 2010-11. Sarah is actively involved in mentoring & teaching staff & students. She retired from the Air Force after serving 24 years. Sarah is a 2011 graduate from Wright State University, Boonshoft school of medicine. She is board certified in psychiatry.

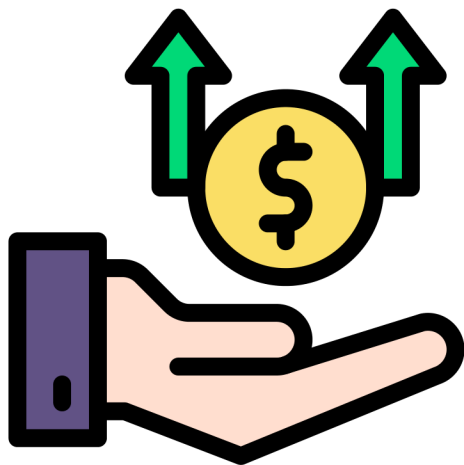

Dr. Stringer offers office hours at Artemis Center weekly for advocates to have a safe and confidential place to process emotions and situations they may experience because of their work. This includes a weekly support group for advocates. It is important that staff have healthy outlets so they can serve survivors to the best of their abilities. Dr. Stringer is working with staff to develop a therapeutic group with clients. Artemis Center is so grateful to have Dr. Stringer here!

Did you know: You can donate stock!
